Economic history of Turkey The economic history of the modern Republic of Turkey has four eras. The first era's development policy was defined by the transition from an agricultural The economic history of the modern Republic of Turkey has four eras. The third era focused on state-guided industrialization based on import-substituting protectionism between 1950 and 1980. It emphasized on private accumulation between 1923 and 1929. The first era's development policy was defined by the transition from an agricultural imperial Ottoman economy into a diversified more industrialized economy. The second era's focus was state accumulation in a period of global crises between 1929 and 1945. The final era was the opening of the economy to liberal trade in goods, services, and financial market transactions since 1981 e4e51f9038

Economic survey of India The Department of Economic Affairs, Ministry of Finance presents the Survey in the Parliament every year, just before the Union Budget. Economic Survey of India reviews the developments in the Indian economy over the past financial year, summarizes the performance on major development The Economic Survey of India is an annual document of the Ministry of Finance, Government of India. This document is presented to both Houses of Parliament during the Budget Session e4e51f9038

The term has been used frequently in the 20th and 21st centuries, but the concept has existed in the West for far longer. "Modernization", "Westernization", and especially "industrialization" are other terms often used while discussing economic development. Historically, economic development policies focused on industrialization and infrastructure; since the 1960s, it has increasingly focused on poverty reduction. e4e51f9038

In the history of Europe, this period is considered the early part of the High Middle Ages. There was, after a brief ascendancy, a sudden decline of Byzantine power and a rise of Norman domination over much of Europe, along with the prominent role in Europe of notably influential popes. Christendom experienced a formal schism in this century which had been developing over previous centuries between the Latin West and Byzantine East, causing a split in its two largest denominations to this day: Roman Catholicism and Eastern Orthodoxy. e4e51f9038
