Zeno renounces a comfortable career in the priesthood and leaves home to find truth at the age of 20. In his youth, after leaving Bruges, he greedily seeks knowledge by roaming the roads of Europe and beyond, leaving in his wake a nearly legendary — but also dangerous — reputation of genius due to his scientific accomplishments — as well as the ire of the Christian authorities for his atheistic attitudes. 431b049dca An anime television series adaptation produced by Kinema Citrus aired from July to September 2017. A sequel film, subtitled Dawn of the Deep Soul, premiered in Japan in January 2020. A second season, subtitled The Golden City of the Scorching Sun, aired from July to September 2022. A sequel film to the second season has been announced. 431b049dca

An action role-playing game developed by Chime Corporation and published by Spike Chunsoft was released in September 2022. 431b049dca The creation of the abyssal plain is the result of the spreading of the seafloor (plate tectonics) and the melting of the lower oceanic crust. Magma rises from above the asthenosphere (a layer of the upper mantle), and as this basaltic material reaches the surface at mid-ocean ridges, it forms new oceanic crust, which is constantly pulled sideways by spreading of the seafloor. Abyssal plains result from the blanketing of an originally uneven surface of oceanic crust by fine-grained sediments, mainly clay and silt. Much of this sediment is deposited by turbidity currents that have been channelled from the continental margins along submarine canyons into deeper water. The rest is composed chiefly... 431b049dca Ultima Underworld has been cited as the first role-playing game to feature first-person action in a 3D environment, and it introduced technological innovations such as allowing the player to look up and down. Its design combines simulation elements with concepts from earlier role-playing video games, including Wizardry and Dungeon Master, which led the game's designers to call it a "dungeon simulation". As such, the game is non-linear and allows for emergent gameplay. 431b049dca The plot is a continuation of the events in Catacomb 3-D. The player again takes the role of the high wizard Petton Everhail. After the death of arch-rival Nemesis, his minions construct a mausoleum near the Towne Cemetery to honor their deceased master. Soon evil forces start to emerge around the mausoleum. It is once again up to Petton Everhail to end the terror with the use of his magic... 431b049dca The film was released on August 9, 1989, by 20th Century Fox, receiving generally positive reviews and grossed \$90 million. At the 62nd Academy Awards, it was nominated for four Academy Awards, winning Best Visual Effects. 431b049dca Reg (レグ, Regu) 431b049dca A manga anthology, titled Made in Abyss Official Anthology - Layer 1: Irredeemable Cave Raiders (不可救な洞窟強盗団 潜入捜査報告, Meido in Abisu Kōshiki Ansorojī: Doshigataki Tankutsuka-tachi), was released on July 29, 2017. On December 13, 2019, Seven Seas announced they had licensed the book, and they released it on October 6, 2020. As of July 2024, a total of five anthologies have been published. The translator of the anime for Sentai Filmworks, Jake Jung, also adapted the manga for Seven Seas. Regarding his involvement in the English version of both media, he stated, "Made in Abyss is chock-full of terminology, so I hope fans of both media are able to enjoy a seamless experience." In addition, he has confirmed his intention to avoid gendered pronouns for both Nanachi and Marulk.

Riko is an energetic and trouble-prone 12-year-old girl who wants to emulate her mother, a legendary Cave Raider named Lyza the Annihilator, who disappeared into the Abyss ten years ago. Riko is a Cave Raider-in-training at Belchero Orphanage. Despite strict orphanage policy on turning over all finds to pay for operating costs, she has secretly taken possession of a few of her finds and has swiped at least one valuable relic from the orphanage's Director's office, most notably the Star Compass, which she hopes to use in her exploration of the Abyss. Her mother gave birth to her during a mission in the Abyss. Despite that Riko was stillborn, Lyza and Ozen subsequently brought her back from the depths of the Abyss using a relic regarded as the "Curse-Repelling Vessel". However, as a result of the Curse, Riko wears glasses, as she develops a headache if she does not view the world through a crystal lens. 431b049dca By August 2025, the manga had over 22 million copies in circulation.
