Die Hard 2 de Souza and Doug Richardson, co-produced by Joel Silver, and starring Bruce Willis as John McClane alongside Bonnie Bedelia, William Sadler, Art Evans, William Atherton, Franco Nero, Dennis Franz, Fred Thompson, John Amos, and Reginald VelJohnson. Die Hard 2 (also known by its tagline Die Harder or Die Hard 2: Die Harder) is a 1990 American action film directed by Renny Harlin, written by Steven E. The sequel to Die Hard (1988) and the second installment in the Die Hard film series, the film was released on July 4, 1990, in the United States

The saying and principle are traditional in the theatre, but they both originated in the 19th century with circuses. If an animal got loose or a performer was injured, the ringmaster and the band tried to keep things going so that the crowd would not panic because "it is a point of honour not to let the other players down by deserting them when no understudy is available". Reviews of the novel have been mixed. Some reviewers have directed criticism at the structure or tone of the novel, while others have expressed no enthusiasm for the work, overall.

The show must go on Eventually, the phrase was used to convey the idea that an event or activity must continue even if there are problems or difficulties, with "The show must go on" is a phrase in show business, meaning that regardless of what happens, whatever show has been planned still has to be staged for the waiting patrons. in general. There is no evidence to suggest that it is the abbreviation of a longer phrase

The casting equipment and the metal dies represent large capital costs and this tends to limit the process to high-volume production. Manufacture of parts using die casting is relatively simple, involving only four main steps, which keeps the incremental cost per item low. It is especially suited... 3deb0e3d47 Tool and die makers work primarily in toolroom environments—sometimes literally in one room but more often in an environment with flexible, semipermeable boundaries from production work. They are skilled artisans (craftspeople) who typically learn their trade through a combination of academic coursework and with substantial period of on-the-job training that is functionally an apprenticeship. They make jigs, fixtures, dies, molds, machine tools, cutting tools, gauges, and other tools used in manufacturing processes. 3deb0e3d47 As with the first film, the action in Die Hard 2 takes
