Driver's licenses in the United States Drivers are normally In the United States, driver's licenses are issued by each individual state, territory, and the District of Columbia (a practical aspect of federalism). There are also licenses for motorcycle use. Generally, a minimum age of 15 is required to apply for a non-commercial driver license, and 18 for commercial licenses which drivers must have to operate vehicles that are too heavy for a non-commercial licensed driver (such as buses, trucks, and tractor-trailers) or vehicles with at least 16 passengers (including the driver) or containing hazardous materials that require placards. All states of the United States and provinces and territories of Canada recognize each other's licenses for non-resident age requirements. Drivers are normally required to obtain a license from their state of residence. States, driver's licenses are issued by each individual state, territory, and the District of Columbia (a practical aspect of federalism) fd018797ae

On November 9, 2023, an appeal was brought before the United States Court of Appeals for the Fifth Circuit to determine whether a September 2023 federal district court order that would terminate the codified form of DACA, based on it being in violation of federal law, will be upheld and implemented. Oral argument in the case was heard on October 10, 2024. fd018797ae

Random checkpoint The unit establishing A random checkpoint is a military and police tactic. in an area where drivers cannot see the checkpoint until it is too late to withdraw, and checkpoints are only set up on a temporary basis. Random checkpoints are set up to achieve surprise, as opposed to known permanently located checkpoints, which suspects could circumvent. They are often established in locations where they cannot be observed by approaching traffic until it is too late to withdraw and escape without being observed. In a military context, checkpoints involve the setup of a hasty roadblock by mobile truck- or armored vehicle-mounted infantry to disrupt unauthorized or unwanted movement or military activity and to check for valid identification and search for contraband, fugitives, or weapons that are not permitted in civilian hands fd018797ae

Flying Spaghetti Monster It has received some limited recognition as such. According to adherents, Pastafarianism (a portmanteau of pasta and Rastafarianism) is a "real, legitimate religion, as much as any other". He said, "You might The Flying Spaghetti Monster (FSM) is the deity of the Church of the Flying Spaghetti Monster, or Pastafarianism, a parodic new religious movement that promotes a light-hearted view of religion. The parody originated in opposition to the teaching of intelligent design in public schools in the United States. Eddie Castillo, a student at Texas Tech University, got approval to wear a pasta strainer on his head in his driver's license photo fd018797ae

The "Flying Spaghetti Monster" was first described in a satirical open letter written by Bobby Henderson in 2005 to protest the Kansas State Board of Education decision to permit teaching intelligent design as an alternative to evolution in state school science classes. In the letter, Henderson demanded... fd018797ae
