Origin of language Sussex, England: Book The origin of language, its relationship with human evolution, and its consequences have been subjects of study for centuries. Retrieved 9 January 2022. Many argue for the close relation between the origins of language and the origins of modern human behavior, but there is little agreement about the facts and implications of this connection. Scholars wishing to study the origins of language draw inferences from evidence such as the fossil record, archaeological evidence, and contemporary language diversity. (1989). Allott, Robin.
