History of conservatism in the United States Presidency of Franklin Delano Roosevelt (2008) Jefferson Cowie, and Nick Salvatore, "The Long Exception: Rethinking the Place of the New Deal in American The history of conservatism in the United States is different from many other forms of conservatism throughout the Western world. In the United States, the two major national political parties, Republicans and Democrats, have both historically supported republicanism and the classical liberal ideals on which the country was founded during the American Revolution and Revolutionary War, including liberty, the pursuit of happiness, rule of law, consent of the governed, fear of corruption, and equal rights before the law. Political divisions inside the United States have historically been seen as comparatively minor compared to those in Europe, where the divide between the Left and the Right led to violent political polarization, starting with the French Revolution 7e60d6bc31
