Note-taking Note-taking (sometimes written as notetaking or note taking) is the practice of recording information from different sources and platforms. Note-taking is a foundational skill in personal knowledge management. By taking Note-taking (sometimes written as notetaking or note taking) is the practice of recording information from different sources and platforms. Since the advent of writing and literacy, notes traditionally were almost always handwritten (often in notebooks), but the introduction of notetaking software and websites has made digital notetaking possible and widespread. Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or a lecture (notes of a meeting are usually called minutes), in which case the notes may be the only record of the event. By taking notes, the writer records the essence of the information, freeing their mind from having to recall everything e1839b4718
