

Il Pianista Virtuoso

Centring her career primarily in Italy and France, Sansoni gained distinction for her mastery of Albéniz's masterwork, *Iberia*. She notably gave the London premiere of the complete cycle in 1909, navigating technical hurdles that the composer himself reportedly found nearly unplayable. Her style – a fusion of the clear, floating tone of her French mentor Francis Planté and Albéniz's rhythmic impressionism – earned her sustained acclaim over a career spanning two decades. 4c8099b876
