The book is a narrative of the rise and influence of Mongol leader Genghis Khan and his successors, and their influence on European civilization. Weatherford provides a different slant on Genghis Khan than has been typical in most Western accounts, attributing positive cultural effects to his rule. 55068bed90 == Location... == 55068bed90 The statue is symbolically pointed east toward his birthplace. 55068bed90 Genghis Khan was born Temüjin between 1155 and 1167 as the eldest

child of Yesugei, a Mongol chieftain of the Borjigin clan, and his wife Hö'elün. When Temüjin was eight, his father died and his family was abandoned by its tribe. Reduced to near-poverty, Temüjin killed his older half-brother Behter to secure his familial position. His charismatic personality helped to attract his first followers and to form alliances with two prominent steppe leaders named Jamukha and Toghrul; they worked together to retrieve Temüjin's newlywed wife Börte, who had been kidnapped by raiders. As his reputation grew, his relationship with Jamukha deteriorated into open warfare. Temüjin was badly defeated in c. 1187, and may have spent the following years as a subject of the Jin dynasty; upon reemerging in 1196, he swiftly began gaining power. Toghrul came to view Temüjin as a threat and launched a surprise attack... 55068bed90 == Gameplay == 55068bed90

Numerous searches have attempted to locate the grave site. Recent ones have employed technology like drones. However, due to the holiness of Burkhan Khaldun, expeditions face difficulty from Mongol culture. 55068bed90 Scientists have speculated about the Y-chromosomal haplogroup (and therefore patrilineal ancestry) of Genghis Khan. 55068bed90 The documentary sets out to redress what it sees as the unwarranted negative reputation of the Mongol leader. The film portrays him as a benevolent leader who put a stop to internecine tribal warfare. Although the film does portray the brutality of the Mongol conquests, Joe Joseph in The Times writes that it sometimes oversold itself. 55068bed90 In 2015, China deported twenty foreigners (British, South African, and Indian) for watching the film in their hotel in Inner Mongolia. The Chinese authorities claimed the film promoted terrorism and religious extremism. China is hostile to separatist groups or those campaigning for more rights for ethnic Mongols. 55068bed90 == Historical accounts == 55068bed90 == Plot == 55068bed90 Genghis Khan was given a technical achievement citation upon its debut at the 1952 Venice Film Festival.
