Genesis creation narrative word used only for God's creative activity; people do not engage in bara'. Walton argues that bara' does not necessarily refer to the creation of matter The Genesis creation narrative is the creation myth of Judaism and Christianity, found in chapters 1 and 2 of the Book of Genesis. While both faith traditions have historically understood the account as a single unified story, modern scholars of biblical criticism have identified it as being a composite of two stories drawn from different sources expressing distinct views about the nature of God and creation bec0133572
