Fencing Most competitive fencers specialise in one of these disciplines. Riposte: An attack Fencing is a combat sport that features sword fighting. The Italian school altered the historical European martial art of classical fencing, and the French school later refined that system. In sabre, attacks are also made with a cutting action. It consists of three primary disciplines: foil, épée, and sabre (also spelled saber), each with its own blade and set of rules. attacks (straight thrust, disengage attack, counter-disengage attack and cutover). The modern sport gained prominence near the end of the 19th century, evolving from historical European swordsmanship. Scoring points in a fencing competition is done by making contact with the opponent with one's sword d6c1de9b9c
