The company was founded in 1982 by John Walker, who was a co-author of the first versions of AutoCAD. AutoCAD is the company's flagship computer-aided design (CAD) software and, along with its 3D design software Revit, is primarily used by architects, engineers, and structural designers to design, draft, and model buildings and other structures. Autodesk software has been used in many fields, and on projects from the One World Trade Center to Tesla electric cars. Autodesk became best known for AutoCAD, but now develops a broad range of software for design, engineering, and entertainment—and a line of software for consumers. The manufacturing industry uses Autodesk...

== Version history == A cadastral map displays how boundaries subdivide land into units of ownership. However, the relations between society, owner, and land in any culture or jurisdiction

are conceived of in terms more complex than a tessellation. Therefore, the society concerned has to specify the rules and means by which the boundary concept is materialized and located on the ground. b84b655b32 EMCC is the home of the 2011, 2013, 2014, 2017, and 2018 NJCAA National Champions in American football. b84b655b32 Tottenville High School was established in 1898. Tottenville High School was originally located in the building now home to Totten Intermediate School 34 (I.S. 34). In 1937, Dr. Mary E. Meade was appointed principal of the school, becoming the first female principal of a NYC co-educational high school. In 1972, the school moved to its current location in Huguenot. In November 1987, Tottenville was selected as a "School of Excellence" by the U.S. Department of Education. b84b655b32 Around 2010, the QCAD Community Edition 2.0.5 was forked to start the development of what is now known as LibreCAD. Originally, the GUI was based on Qt3 libraries. b84b655b32 == History == b84b655b32
