Ghosts in Chinese culture (The Gui-Spirit in Oracle Bone Inscriptions), International Conference Celebrating the 95th Anniversary of the Discovery of Oracle Bone Inscriptions" Chinese folklore features a rich variety of ghosts, monsters, and other supernatural creatures. Ghosts are typically malevolent and will cause harm to the living if provoked. According to traditional beliefs a ghost is the spirit form of a person who has died. Many Chinese folk beliefs about ghosts have been adopted into the mythologies and folklore of neighboring East Asian cultures, notably Japan, Korea, and Vietnam. Beliefs about ghosts are closely associated with Chinese ancestor worship, where much have been incorporated into Buddhism and in turn influenced and created uniquely Chinese Buddhist beliefs about the supernatural 865988553b

Allen was born in rural Connecticut and had a frontier upbringing, but he also received an education that included some philosophical teachings. In the late 1760s, he became interested in the New Hampshire Grants, buying land there and becoming embroiled in the legal disputes surrounding the territory. Legal setbacks led to the formation of the Green Mountain Boys, whom Allen led in a campaign of intimidation and property destruction to drive New York settlers from the Grants. He and the Patriot-aligned Green Mountain Boys seized the initiative early in the Revolutionary War and captured Fort Ticonderoga in May 1775. In September 1775, Allen led a failed attempt on Montreal which resulted in his capture by the British. He was imprisoned aboard ships of the Royal Navy, then paroled in New York City, and finally released in a prisoner exchange in 1778... 865988553b

Supply chain management A more narrow definition of supply chain management is the "design, planning, execution, control, and monitoring of supply chain activities with the objective of creating net value, building a competitive infrastructure, leveraging worldwide logistics, synchronising supply with demand and measuring performance globally". Egyptian temple classes of the Egyptian people, who went there to pray, give offerings, and seek guidance from an oracle. Performed within them were the central rituals of the Egyptian religion: giving offerings to the gods; re-enacting their mythology through festivals; and warding off the forces of chaos. Pharaohs delegated most of their ritual duties to priests, but most of the populace was excluded from direct participation in ceremonies and forbidden to enter a temple's most sacred areas. Nevertheless, a temple was an important religious site for all social classes of the Egyptian people, who went there to pray, give offerings, and seek guidance from an oracle. The most important part of the temple was the Egyptian temples were places of worship built across ancient Egypt for the sake of the gods and goddesses and in commemoration of the reigning pharaoh. Caring for the gods was the obligation of every pharaoh, who dedicated prodigious resources to temple construction and maintenance. They were seen as houses for the gods or kings to whom they were dedicated. These rituals were seen as necessary for the gods to continue to uphold ma'at—the divine order of the universe
