Syllabus doctrinal positions. : syllabuses or syllabi) or specification is a document that communicates information about an academic course or class and defines expectations and responsibilities. A syllabus may be set out by an examination board or prepared by the tutor or instructor who teaches or controls the course. It can also be available online or electronically transmitted as an e-syllabus. The syllabus is usually handed out and reviewed in the first class. It is generally an overview or summary of the curriculum. According to the Oxford English Dictionary, the word syllabus derives from modern Latin syllabus 'list'; in turn from a misreading of the A syllabus (; pl dcca5e70ee

English as a second or foreign language Variably known as English as a foreign language (EFL), English as a second language (ESL), English for speakers of other languages (ESOL), English as an additional language (EAL), or English as a new language (ENL), these terms denote the study of English in environments where it is not the dominant language. countries, teaching English as a second language (TESL) in English-speaking nations, and teaching English to speakers of other languages (TESOL) worldwide English as a second or foreign language refers to the use of English by individuals whose native language is different, commonly among students learning to speak and write English. Programs such as ESL are designed as academic courses to instruct non-native speakers in English proficiency, encompassing both learning in English-speaking nations and abroad

Learners in settings which utilise CLT learn and practice the target language through the following activities: communicating with one another and the instructor in the target language; studying "authentic texts" (those written in the target language for purposes other than language learning); and using the language both in class and outside of class.

Notional-functional syllabus In a notional-functional syllabus, instruction is not organized in terms of grammatical structure, as had often been done with the audio-lingual method, but instead in terms of "notions"

and "functions. ". In a notional-functional syllabus, instruction A notional-functional syllabus is a way of organizing a language-learning curriculum, rather than a method or an approach to teaching. notional-functional syllabus is a way of organizing a language-learning curriculum, rather than a method or an approach to teaching dcca5e70ee

In this model, a "notion" is a particular context in which people communicate. A "function" is a specific purpose for a speaker in a given context. For example, the "notion," of shopping requires numerous language "functions," such as asking about prices or features of a product and bargaining. Functions are often speech acts, utterances used to accomplish some real world task, a concept elucidated by the linguistic philosopher John L. Austin. dcca5e70ee The word is also used more generally for an abstract or programme of knowledge, and is best known in this sense as referring to two catalogues published by the Catholic Church in 1864 and 1907 condemning certain doctrinal positions. dcca5e70ee
