Divergent (novel) In the story, Beatrice Prior joins the ranks of the Dauntless faction and explores her new identity as "Tris". The first in the Divergent series, a trilogy of young adult dystopian novels (plus a book of short stories), the novel is set in a post-apocalyptic Chicago, where society defines its citizens by their social and personality-related affiliation with one of five factions. Underlying the action- and dystopian-focused main plot is a romantic subplot between Tris and "Four", one of her instructors in the Dauntless faction. This rigid system has removed the threat of anyone exercising independent will and re-threatening the population's safety.
