Political correctness writer is "for them" or "against them".) is a term used to describe language, policies, or measures that are intended to avoid offense or disadvantage to members of particular groups in society. In public discourse and the media, the term is generally used as a pejorative with an implication that these policies are excessive or unwarranted. Since the late 1980s, the term has been used to describe a preference for inclusive language and avoidance of language or behavior that can be seen as excluding, marginalizing, or insulting to groups of people disadvantaged or discriminated against, particularly groups defined by ethnicity, sex, gender, sexual orientation, or disability. C. Geoffrey Hughes suggested that debate over political correctness concerns whether changing language actually solves "Political correctness" (adjectivally "politically correct"; commonly abbreviated to P 15bb750af4
