Truscott was born in Brixton, south London, and showed early prowess at chess. He attended Whitgift School in Croydon and served in the Royal Navy for three years around the end of World War II. From 1947, Truscott studied at Oxford, which he represented at both chess and bridge. With Oxford partner Robert d'Unienville, he was on the British team (along with Terence Reese and Boris Schapiro) that won a bronze medal at the 1951 European Bridge League championships, age only 26. Truscott represented Britain in the same event twice more, finishing second with partner Maurice Harrison-Gray in 1958 (again along

with Reese-Schapiro) and first with partner Tony Priday in 1961. He was in charge of organising the 1961 rendition hosted by Torquay in Devonshire, England. As European champions that British team finished third in the 1962 Bermuda Bowl held in New York... 6f864e7e20 Following Gabriel's decision to leave the band, the remaining members wanted to carry on to show they could still write and record successful material, as keyboardist Tony Banks and bassist/guitarist Mike Rutherford were the band's principal composers. The group wrote and rehearsed new songs during mid-1975, and listened to numerous audition tapes for a replacement frontman. They entered Trident Studios in London in October with producer David Hentschel to record the album without a definitive idea of who was going to perform lead vocals. After the search for a singer proved unfruitful, Collins was persuaded to sing "Squonk", and his performance was so strong that he became the band's new frontman. 6f864e7e20

Psychopathy in the workplace Indeed, psychopaths are usually most present at higher levels of corporate structure, and their actions often cause a ripple effect throughout an organization, setting the tone for an entire corporate culture. Examples of detrimental effects include increased bullying, conflict, stress, staff turnover, absenteeism, and reduction in both productivity and social responsibility. A 2017 UK study found that companies with leaders who show "psychopathic characteristics" destroy shareholder value, tending to have poor future returns on equity. Baibak, P; Hare, RD (2007), Snakes in Suits: When Psychopaths Go to Work While psychopaths typically represent a very small percentage of workplace staff, the presence of psychopathy in the workplace, especially within senior management, can do enormous damage. The soundtrack to Game of Thrones was originally to be composed by Stephen Warbeck. On February 2, 2011, only ten weeks prior to the show's premiere, it was reported that Warbeck had left the project and Ramin Djawadi had been commissioned to write the music instead. The music supervisor of Game of Thrones, Elyse Klean, first suggested Djawadi to showrunners David Benioff and D. B. Weiss as the replacement for Warbeck, and although Djawadi was reluctant as he had other commitments at that time, they managed to persuade him to accept the project.
