Love in this book layeth to souls the touches of his divine works privily hid under dark speech, so that they should taste the deeper draughts of his love and drink. 0d78a57a80 The concept of simplicity is related to the field of epistemology and philosophy of science (e.g., in Occam's razor). Religions also reflect on simplicity with concepts such as divine simplicity. In human lifestyles, simplicity can denote freedom from excessive possessions or distractions, such as having a simple living style. In some cases, the term may have... 0d78a57a80 The full title of the work is The Mirror of the Simple Souls Who Are Annihilated and Remain Only in Will and Desire of Love. The meditations were originally written in the Picard dialect of Old French and explore in poetry and prose the seven stages of "annihilation" that the Soul goes through on its path to Oneness with God through love. It was enormously popular when written but fell foul of church authorities, which detected elements of the Brethren of the Free Spirit, an antinomian... 0d78a57a80

The arc of the deck and its large movement under load make such bridges unsuitable for vehicular traffic. Simple suspension bridges are restricted in their use to foot traffic. For safety, they are built with stout handrail cables, supported on short piers at each end, and running parallel to the load-bearing cables. Sometime these may be the primary load-bearing element, with the deck suspended... 0d78a57a80 Adherents may choose simple living for a variety of personal reasons, such as spirituality, health, increase in quality time for family and friends, work-life balance, personal taste, financial sustainability, increase in philanthropy, frugality, environmental sustainability, or reducing stress. Simple living Simple living practices can be seen in history, religion, art, and economics. 18th-century French Enlightenment philosopher Jean-Jacques Rousseau strongly praised the simple way of life in many of his writings, especially in two books: Discourse Simple living refers to practices that promote simplicity in one's lifestyle. In addition to such external changes, simple living also reflects a person's mindset and values. Common practices of simple living include reducing the number of possessions one owns, depending less on technology and services, and spending less money 0d78a57a80
