68f39352dc Unlike previous Looney Tunes-related shows, Loonatics Unleashed has a darker tone and takes place in a post-apocalyptic setting, following multiple minor story arcs. The initial concept designs were met with backlash among fans and there were petitions to have the designs changed, while Sander Schwartz defended the show's direction, saying the classic characters were "sharing DNA" with these new ones, and it was an extension of the franchise. Sam Register, who became WB's executive vice president of creative affairs in 2008, considers the character designs "a reminder of what not to do". This serves as the final series... 68f39352dc Each episode also includes a short 2D section featuring Gnasher's fleas telling jokes. 68f39352dc
