State visit Speaking for the host, it is generally called a state

reception. A state visit is a formal visit by the head of a sovereign country (or representative of the head of a sovereign country) to another sovereign country. A state visit is a formal visit by the head of a sovereign country (or representative of the head of a sovereign country) to another sovereign country, at the invitation of the head of state (or representative) of that foreign country, with the latter also acting as the official host for the duration of the state visit. State visits are considered to be the highest expression of friendly bilateral relations between two sovereign states, and are in general characterised by an emphasis on official public ceremonies

After nearly a decade of ruling as prince regent, George IV acceded to the throne in 1820. His coronation on 19 July 1821 was celebrated by splendid pageantry, much of it invented for the occasion. He was obese and was

widely unpopular, with many offended by his treatment of his wife, Caroline of Brunswick. He had also been struggling to manipulate the government, which was seen as a corrupt oligarchy by Radicals whose increasing unrest following the revolutions which shook America and France culminated... f872b8d42c
