Marriage in Turkey The legal age for marriage is 18 although 17-year-olds can marry with parental permission, and 16-year-olds with both parental permission and a court decision. fully valid under Turkish law; as a result, a Turkish marriage certificate issued after a civil marriage is an official state document that is generally recognized Marriage in Turkey may be performed by civil officials or by Muslim clerics (since 2017), although only civil marriage is recognized be63720593

Today, they are a legal requirement in some jurisdictions and may also serve as the record of the marriage itself, if signed by the couple and witnessed. In other jurisdictions, a license is not required. In some jurisdictions, a "pardon" can be obtained for marrying without a license, and in some jurisdictions, common-law marriages and marriage by cohabitation and representation are also recognized. These do not require a marriage license. There are also some jurisdictions where marriage licenses do not exist at all and a marriage certificate is given to the couple after the marriage ceremony has taken place. be63720593 == Quaker marriage in history == be63720593 The format of the marriage certificate is uniformly formulated by the Ministry of Civil Affairs. The marriage certificate must be affixed with a photo of both parties of the marriage, and validated by a stamp for marriage registration. It also contains the couple's names and identity information. The certificate is about the size of a palm, and the cover is maroon. be63720593 An official death certificate is usually required to be provided when applying for probate or administration of a deceased estate. They are also sought for genealogical research. The government registration office would usually be required to provide details of deaths, without production of a death certificate, to enable government agencies to update their records, such as electoral registers, government benefits paid, passport records, transfer the inheritance, etc. Death certificates typically include a medical certificate of cause of death collecting information for disease prevention and health policy. The recommended international format for this certificate is established by the World Health Organization (WHO) and applies uniformly across member states. The World Health Organization's ICD-11 Reference Guide provides the authoritative specification for its design and completion. Extensive detail... be63720593 A result of certification be63720593

First same-sex marriage in Spain To achieve it Elisa had to present masculine and adopt a masculine name: Mario Sánchez, as listed on the marriage certificate. The marriage certificate was never annulled. It is the first attempt at same-sex marriage in Spain for which there is recorded evidence. It is the first attempt at same-sex marriage in Spain for which there is recorded evidence. It was performed by the Catholic The first same-sex marriage in Spain occurred on 8 June 1901. on the marriage certificate. Two women, Marcela Gracia Ibeas and Elisa Sánchez Loriga, attempted to get married in A Coruña (Galicia, Spain). It was performed by the Catholic Church, in the parish church of Saint George of the same city be63720593
