The town lies on the traditional lands of the Wilyakali people. It became prominent in Australia's mining, industrial relations, and economic history after the discovery of silver-lead-zinc ore in the Broken Hill ore deposit, in an ore body known as the Line of Lode. This led to the opening of several mines and established Broken Hill's recognition as a prosperous mining town well into the 1990s. Despite experiencing a slowing economic situation in the late 1990s and 2000s, Broken Hill itself was listed on the National Heritage List in 2015 and remains Australia's longest-running mining... 75c0cee94a The theory was introduced in an article started in 1981 and published in 1982 by social scientists James Q.
