

Traction A Startup Guide To Getting Customers

Gabriel Weinberg

Startup company While entrepreneurship A startup or start-up is a company or project undertaken by an entrepreneur to seek, develop, and validate a scalable business model. During the beginning, startups face high uncertainty and have high rates of failure, but a minority of them do go on to become successful and influential, such as unicorns. While entrepreneurship includes all new businesses including self-employment and businesses that do not intend to go public, startups are new businesses that intend to grow large beyond the solo-founder.
