Cassidy Turley In January 2015, Cassidy Turley was acquired by DTZ, which was later acquired by Cushman & Wakefield. Cassidy Turley was acquired by a private equity investment consortium backed by TPG Capital, PAG Asia Capital and Ontario Teachers' Pension Plan. Cassidy Turley Research tracked key economic indicators with correlation to the local and national Cassidy Turley was a privately owned commercial real estate services firm. legal, food and beverage, hospitality and healthcare 134b7b2f8a

Alcohol intoxication The technical term intoxication in common speech may suggest that a large amount of alcohol has been consumed, leading to accompanying physical symptoms and deleterious health effects. the toxicity of ethanol, the main psychoactive component of alcoholic beverages, other physiological symptoms may arise from the activity of acetaldehyde Alcohol intoxication, commonly described in higher doses as drunkenness or inebriation, and known in overdose as alcohol poisoning, is the behavior and physical effects caused by recent consumption of alcohol. In addition to the toxicity of ethanol, the main psychoactive component of alcoholic beverages, other physiological symptoms may arise from the activity of acetaldehyde, a metabolite of alcohol. These effects may not arise until hours after ingestion and may contribute to a condition colloquially known as a hangover. Mild intoxication is mostly referred to by slang terms such as tipsy or buzzed 134b7b2f8a
