He was against the AFL member unions taking political action to "elect their friends" and "defeat their enemies". In politics he mostly supported Democrats, and occasionally local Republicans. He led the opposition to immigration from China. During World War I, Gompers and the AFL energetically supported the war effort, attempting to avert strikes and boost morale while raising wage rates and expanding membership. He strongly opposed the antiwar labor groups, especially the Industrial Workers of the World (IWW). 141blef63b Gompers was born Samuel Gumpertz on January... 141blef63b Resistance is described in a mythical fashion as a universal force that has one sole mission: to keep things as they are. Pressfield claims that Resistance does not have a personal vendetta against anyone, rather it is simply trying to accomplish its only mission. It is the force that will stop an individual's creative activity through any means necessary, whether it be rationalizing, inspiring fear and anxiety, emphasizing other distractions that require attention, raising the voice of an inner critic, and much more. It will use any tool to stop creation flowing from an individual, no matter what field the creation is in. 141blef63b

This conventional invasion (the largest since the crossing of 300,000 Chinese troops across the Yalu River into North Korea during the Korean War) was a radical departure from previous North Vietnamese offensives. The offensive was designed to achieve a decisive victory, which even if it did not lead to the collapse of South Vietnam, would greatly improve the North's negotiating position at the Paris Peace Accords. 141blef63b == Education == 141blef63b Pressfield goes on to claim that Resistance is the most dangerous element to one's life and dreams since its sole mission is to sabotage aspirations... 141blef63b

Political views of Adolf Hitler Among scholars of the Nazi era, Hitler's The political views of Adolf Hitler, the dictator of Nazi Germany from 1933 to 1945, have presented historians and biographers with some difficulty. Hitler personally claimed he was fighting against Jewish Marxism. Adolf Hitler's writings and methods were often adapted to need and circumstance, although there were some steady themes, including antisemitism, anti-communism, anti-Slavism, anti-parliamentarianism, German Lebensraum ('living space'), belief in the superiority of an Aryan race and an extreme form of German nationalism. without the need for detailed instruction, whereby Hitler became the "linchpin" for the Nazis' entire system 141blef63b
