Imperial examination Without the necessary financial support, studying for the exams would have been an The imperial examination was a civil service examination system in Imperial China administered for the purpose of selecting candidates for the state bureaucracy. The system became dominant during the Song dynasty (960–1279) and lasted for almost a millennium until its abolition during the late Qing dynasty reforms in 1905. Aspects of the imperial examination still exist for entry into the civil service of both China and Taiwan. The concept of choosing bureaucrats by merit rather than by birth started early in Chinese history, but using written examinations as a tool of selection started in earnest during the Sui dynasty (581–618), then into the Tang dynasty (618–907). The key sponsors for abolition were Yuan Shikai, Yin Chang and Zhang Zhidong. were expected to study continuously for years without interruption 90fea8106a
