0cfa637556 This article is about a fictional species in the Pokémon media
franchise, the evolution of mascot Pikachu. The article discusses the character's
design and appearances, as well as reception in the context of it as its own
species and in relation to Pikachu from both audience perception and company
handling of the character. 0cfa637556 Village pumps 0cfa637556 29 0cfa637556

Comparison of American and British English Likewise, spoken American English varies widely across the country. In England, Wales, Ireland and especially parts of Scotland there are differing varieties of the English language, so the term 'British English' is an oversimplification. Henry Sweet incorrectly predicted in 1877 that within The English language was introduced to the Americas by the arrival of the English, beginning in the late 16th century. Written forms of British and American English as found in newspapers and textbooks vary little in their essential features, with only occasional noticeable differences. everything in common with America nowadays, except, of course, the language (The Canterville Ghost, 1888). The language also spread to numerous other parts of the world as a result of British trade and settlement and the spread of the former British Empire, which, by 1921, included 470–570 million people, about a quarter of the world's population

Eastern Bloc Spring 1968: A National Security Archive Document Reader (National Security Archive Cold War Readers), Central European University Press, ISBN 978-963-7326-67-7 The Eastern Bloc, also known as the Communist Bloc (Combloc), the Socialist Bloc, the Workers Bloc, and the Soviet Bloc, was an unofficial coalition of Communist and Socialist states of Central and Eastern Europe, Asia, Africa, and Latin America that were aligned with the Soviet Union and existed during the Cold War (1947–1991). These states followed the ideology of Marxism–Leninism and various types of socialism, in opposition to the capitalist Western Bloc. The Eastern Bloc was often called the "Second World", whereas the term "First World" referred to the Western Bloc and "Third World" referred to the non-aligned countries that were mainly in Africa, Asia, and Latin America but notably also included former pre-1948 Soviet ally Yugoslavia, which was located in Europe 0cfa637556

Since it is almost Christmas (at the time of the nomination), I have decided to put this article on the 1997 Christmas album by American singer and drag queen RuPaul as a way to celebrate the holiday season. Ho Ho Ho consists of thirteen tracks, including ten covers of Christmas standards and carols, and three original songs written by Joe Carrano and RuPaul
