Managed care plan, unlike an HMO plan, which has a copayment cost share feature (a nominal payment generally paid at the time of service), a PPO generally does not In the United States, managed care or managed healthcare is a group of activities intended to reduce the cost of providing health care and providing health insurance while improving the quality of that care. It has become the predominant system of delivering and receiving health care in the United States since its implementation in the early 1980s, and has been largely unaffected by the Affordable Care Act of 2010 3014501c38
