The company produced many different product lines over its history. It is best known for the work in the minicomputer market starting in the early 1960s. The company produced a series of machines known as the PDP line, with the PDP-8 and PDP-11 being among the most successful minis in history. Their success was only surpassed by another DEC product, the late-1970s VAX "supermini" systems that were designed to replace the PDP-11. Although a number of competitors had... 2b0c849b93

Violence against women HuffPost. Retrieved Violence against women (VAW), also known as gender-based violence (GBV), Violence Against Women and Girls (VAWG) or sexual and gender-based violence (SGBV), is violence primarily committed by men or boys against women or girls. Such violence is often considered hate crime, committed against persons specifically because they are of the female gender, and can take many forms. Scholte, Marianne (17 March 2006). Violence against men is the opposite category, where acts of violence are targeted against the male gender. Spiegel Online. Retrieved 8 September 2013.
