Jackanory was a BBC children's television series, which was
originally broadcast from 13 December 1965 to 24 March 1996. A
single book would usually occupy five daily fifteen-minute episodes
from Monday to Friday, and occasionally the scene being read
would be illustrated by a specially commissioned still drawing. The
show's format was designed to stimulate an interest in reading, and
usually involved an actor reading an abridged version of a

children's novel or folk tale whilst seated in an armchair
