Outdoor recreation Outdoor recreation is a broad concept that encompasses a varying range of activities and landscapes. The activities that encompass outdoor recreation vary depending on the physical environment they are being carried out in. Outdoor recreation or outdoor activity refers to recreation done outside, most commonly in natural settings. These activities can include fishing, hunting, backpacking, walking and horseback riding — and can be completed individually or collectively. Outdoor recreation is typically pursued for purposes of physical exercise, general wellbeing, and spiritual renewal. While a wide variety of outdoor recreational activities can be classified as sports, they do not all demand that a participant be an athlete. Rather, it is the collectivist idea that is at the fore in outdoor recreation, as outdoor recreation does not necessarily encompass the same degree of competitiveness or rivalry that is embodied in sporting matches or championships. Competition generally is less stressed than in organized individual or team sports. 5ea0c2b5f1
