Many of SNL's ad parodies have been featured in prime-time clip shows over the years, including an April 1991 special hosted by Kevin Nealon and Victoria Jackson, as well as an early 1999 follow... eb84631601 Backgammon is a two-player game of contrary movement in which each player has fifteen pieces known traditionally as men (short for "tablemen"), but increasingly known as "checkers" in the United States in recent decades. The backgammon table pieces move along twenty-four "points" according to the roll of two dice. The objective of the game is to move the fifteen pieces around the board and be first to bear off, i.e., remove them from the board. The achievement... eb84631601 Trictrac's gaming interest lies in its multiple combinations, the importance of decision-making and its comprehensive rules which have been well documented and remained stable since the early 17th century. It requires constant attention from the players whether or not it is their turn. Its vocabulary, which is very rich, frequently occurs in French literature. eb84631601 A four-wheel drive vehicle with torque supplied to both axles is described as "all-wheel drive" (AWD). However, "four-wheel drive" typically refers to a set of specific components and functions, and intended off-road application, which generally complies with modern use of the terminology. eb84631601
