fut – the five-a-side game played in outdoor basketball courts (built with goals)
Football is a family of team sports that involve, to varying degrees, kicking a ball to
score a goal. Unqualified, the word football generally means the form of football
that is the most popular where the word is used. Sports commonly called football
include association football (known as soccer in Australia, Canada, South Africa, the
United States, and sometimes in Ireland and New Zealand); Australian rules
football; Gaelic football; gridiron football (specifically American football, arena

football, or Canadian football); International rules football; rugby league football; and rugby union football. These various forms of football share, to varying degrees, common origins and are known as "football codes" f557fdaa39
