Common languages are used in areas such as trade, tourism, diplomacy, technology, media, translation, interpretation and science. Many countries, such as Korea (Kim Yeong-seo, 2009), Japan (Kubota, 1998), and China (Kirkpatrick & Zhichang, 2002), frame education policies to teach at least one foreign language at the primary and secondary school levels. Further, the governments of some countries have more than one official language; such countries include India, Singapore, Malaysia, Pakistan, and the Philippines. According to the GAO (2010), China has recently been placing greater emphasis on foreign language learning, especially English. 758593b149
