Open educational resources The textbooks Open educational resources (OER) are teaching, learning, and research materials intentionally created and licensed to be free for the end user to own, share, and in most cases, modify. The term "OER" describes publicly accessible materials and resources for any user to use, re-mix, improve, and redistribute under some licenses. India - National Council Of Educational Research and Training (NCERT) digitized all its textbooks from 1st standard to 12th standard. These are designed to reduce accessibility barriers by implementing best practices in teaching and to be adapted for local unique contexts. age range
