In the case of its broad associative definition, government normally consists of legislature, executive, and judiciary. Government is a means by which organizational policies are enforced, as well as a mechanism for determining policy. In many countries, the government has a kind of constitution, a statement of its governing principles and philosophy. cf3824452e The case was brought by Reading Railroad Co., which challenged Pennsylvania's Act of August 25, 1864, also referred to as 'An act to provide additional revenue for the use of the Commonwealth'. The act was established to provide additional revenue for the Commonwealth of Pennsylvania after the American Civil War. It imposed systematic taxes on transportation companies, based on freight weight, for municipal purposes. All freight transported within Pennsylvania was subject to this tax. cf3824452e Until the decline in anthracite shipments from the Coal Region in Northeastern Pennsylvania following World War II, it was one of the most prosperous corporations in the United States. American Guide Series The American Guide Series books were compiled by the FWP, but printed by individual states, and contained detailed histories of each of the then 48 states of the Union with descriptions of every major city and town. The series not only detailed the histories of the 48 states, but provided insight to their cultures as

well. In total, the project employed over 6,000 writers. The format was uniform, comprising essays on the state's history and culture, descriptions of its major cities, automobile tours of important attractions, and a portfolio of photographs. The American Guide Series includes books and pamphlets published from 1937 to 1941 under the auspices of the Federal Writers' Project (FWP), a Depression-era program that was part of the larger Works Progress Administration in the United States.

Phonics Phonics is also sometimes used as part of the process of teaching Chinese people (and foreign students) to read and write Chinese characters, which are not alphabetic, using pinyin, which is alphabetic. mini-lessons, differentiated learning, cueing, leveled reading, shared reading, guided reading, independent reading and sight words. It can be used with any writing system that is alphabetic, such as that of English, Russian, and most other languages. According to a survey in 2010 Phonics is a method for teaching reading and writing to beginners. To use phonics is to teach the relationship between the sounds of the spoken language (phonemes), and the letters (graphemes) or groups of letters or syllables of the written language. Phonics is also known as the alphabetic principle or the alphabetic code.

For educators and researchers, reading is a multifaceted process involving such areas as word recognition, orthography (spelling), alphabets, phonics, phonemic awareness, vocabulary, comprehension, fluency, and motivation. The main types of modern political systems recognized are democracies, totalitarian regimes, and, sitting between these two, authoritarian regimes with...
