Employee engagement An "engaged employee" is defined as one who is fully absorbed by and enthusiastic about their work and so takes positive action to further the organization's reputation and interests. Archived from the original on 3 February 2023. "Employee engagement". 2014-01-06. An engaged employee has a positive attitude towards the organization and its values. Chartered Institute of Personnel and Development (CIPD). August 2013. Retrieved Employee engagement is a fundamental concept in the effort to understand and describe, both qualitatively and quantitatively, the nature of the relationship between an organization and its employees. In contrast, a disengaged employee may range from someone doing the bare minimum at work (aka 'coasting'), up to an employee who is actively damaging the company's work output and reputation e1a6407e78

Employer branding (2004) 'Beware Employer brand is branding and

marketing the entirety of the employment experience. It describes an employer's reputation as a place to work, and their employee value proposition, as opposed to the more general corporate brand reputation and value proposition to customers. (2003), Branding and People Management, CIPD Research Report, CIPD, London. Last, Random House, UK. The term was first used in the early 1990s, and has since become widely adopted by the global management community. Minchington describes employer brand as "the image of your organization as a 'great place to work' in the mind of current employees and key stakeholders in the external market (active and passive candidates, clients, customers and other key stakeholders). Machtiger, B. Martin, G. The art and science of employer branding is therefore concerned with the attraction, engagement and retention initiatives targeted at enhancing your company. and Beaumont, P e1a6407e78

Many countries regulate the work week by law, such as stipulating minimum daily rest periods, annual holidays, and a maximum number of working hours per week. Working time may vary from person to person, often depending on economic conditions, location, culture, lifestyle choice, and the profitability of the individual's livelihood. For example, someone who is supporting children and paying a large mortgage might need to work more hours to meet basic costs of living than someone of the same earning power with lower housing costs. In developed countries like the United Kingdom, some workers are... e1a6407e78
