Women in ancient Rome J. to a peregrina. But while Roman women held no direct political power, those from wealthy or powerful families could and did exert influence through private negotiations. Bruce W. Exceptional women who left an undeniable mark on history include Lucretia and Claudia Quinta, whose stories took on mythic significance; fierce Republican-era women such as Cornelia, mother of the Gracchi, and Fulvia, who commanded an army and issued coins bearing her image; women of the Julio-Claudian dynasty, most prominently Livia (58 BC – AD 29) and Agrippina the Younger (15–59 AD), who contributed to the formation of Imperial mores; and the. Because of their limited public role, women are named less frequently than men by Roman historians. Frier and Thomas A. McGinn, A Casebook on Roman Family Law (Oxford University Press: American Philological Association, 2004) In ancient Rome, freeborn women were citizens (cives), but could not vote or hold political office 870262ac65

Insider trading ). The rationale for this prohibition of insider trading differs between countries and regions. Paul: Foundation Insider trading is the trading of a public company's stock or other securities (such as bonds or stock options) based on material, nonpublic information about the company. Some view it as unfair to other investors in the market who do not have access to the information, as the investor with inside information can potentially make larger profits than an investor without such information. Business Associations: Cases and Materials on Agency, Partnerships, LLCs, and Corporations. St. In many countries, some kinds of trading based on insider information are illegal. (2018). University Casebook Series (10th ed. However, insider trading is also prohibited to prevent the directors of a company (the insiders) from abusing a company's confidential information for the directors' personal gain 870262ac65
