Neukölln (locality) With 162,548 inhabitants (2025) the quarter has the second-largest population of Berlin after Prenzlauer Berg. Since the early 13th century, the local settlements, villages and cities down to the present day have always been a popular destination for colonists and immigrants. After his death in 1913, more of his original plans were implemented, for example the Neukölln (German: [nɔʏ'kœln] ; officially abbreviated Neukö), formerly Rixdorf (German: [r'ɪksdɔʁf]), from 1899 to 1920 an independent city, is a large inner-city quarter of Berlin in the homonymous borough of Neukölln, and evolved around the historic village of Rixdorf. Hermannplatz) he had designed in the style of ancient Roman temples. In modern times, it was originally shaped by the working class and gastarbeiters, but western immigration since the turn of the millennium has led to gentrification and a rejuvenation of the quarter's culture and nightlife 8bda35a74b
