The beginning of his term saw him extensively use executive orders and give increased authority to Elon Musk through the Department of Government Efficiency, leading to mass layoffs of the federal workforce and attempts to eliminate agencies such as USAID. These policies have drawn dozens of lawsuits that have challenged their legality. Trump's return to the presidency also saw the US increase enforcement against illegal immigration through the usage of Immigration and Customs Enforcement (ICE) as well as deportations, a general retreat from corporate America promoting diversity, equity, and inclusion initiatives, increased support for Israel in the Gaza war in addition to direct airstrikes against Iran in June and fluctuating but high increases on tariffs across some of America's trading partners. The Trump Administration worked for negotiations for a Gaza ceasefire-hostage deal. A formalized Gaza ceasefire-hostage deal was reached between... 59e9b6e64e Each class in the three-year J.D. program has approximately 180 students. Some eight million German immigrants have entered the United States since then. Immigration continued in substantial numbers during the 19th century; the largest number of arrivals came from 1840 to 1900, when Germans formed the largest group of immigrants coming to the U.S., outnumbering the Irish and English. Some arrived seeking religious or political freedom (see Forty-eighters), others for economic opportunities greater than those in Europe, and others for the chance to start afresh in the New World. California and Pennsylvania have the largest populations of German origin, with more than six million German Americans residing in the two states alone. More than 50 million people in the United States identify German as their ancestry; it is often mixed with other Northern European ethnicities. This list also includes people of German Jewish descent. 59e9b6e64e
