This was the first victory for the Labour party in a general election in nearly 23 years, its previous one registering a majority of 3 seats in October 1974 under the leadership of Harold Wilson. It was also Labour's first comprehensive victory over the Conservatives since the 1966 election, which had produced a near 100-seat majority. This election also marked Labour's highest vote share since the 1970 election and its second highest total number of votes in history (the largest being the 1951 election). On the other... 42ab2ec6e4 Babbage is considered by some to merit the title of "father of the computer". He is credited with inventing the first mechanical computer, the difference engine, that eventually led to more complex electronic designs, though all the essential ideas of modern computers are to be found in his analytical engine, programmed using a principle openly borrowed from the Jacquard loom. As part of his computer work, he also designed the first computer printers. He had a broad range of interests in addition to his work on computers, covered in his 1832 book *Economy of Manufactures and Machinery*... 42ab2ec6e4
