The short title, *Così fan tutte*, literally means "So do they all", using the feminine plural (*tutte*) to indicate women. It is sometimes translated into English as "Women are like that". The words are sung by the three men in act 2, scene 3, just before the finale; this melodic phrase is also quoted in the overture to the opera. Da Ponte had used the line "*Così fan tutte le belle*" earlier in *Le nozze di Figaro* (in act 1, scene 7). 2b5ac439f4

Lewis Riley, lacking direction, has difficulty holding down a job. He applies for a job as a director/drama teacher at a mental hospital, where he is expected to produce a variety show aimed at the inmates' abilities. During auditions, manic-depressive Roy overwhelms the pushover Lewis, with Roy selecting the six cast members: Ruth, a suicidal woman whose rendition of "I'm So Excited" is dejected; Cherry, a woman prone to false claims of sexual harassment who lusts after Lewis; Julie, a recovering drug addict, the only one who can actually sing; Doug, a cat-burning pyromaniac; Henry, who is completely submissive to Roy; and Zac, an accordion player who aspires to play *Ride of the Valkyries* wearing a horned Viking helmet. 2b5ac439f4 At odds with his superiors again, Italian police detective Zen has asked for a transfer and thinks he has found himself a backwater sinecure in Naples. In return for a quiet life with pastries and a cappuccino on his desk every morning, he is prepared to tolerate all manner of scams, not the least of which is a brothel on the top floor of the harbour police station of which he is nominally in command. Though the recent "Clean Hands" agitation has brought down institutionalized political corruption elsewhere in Italy, it appears to be making little difference in Naples - until, that is, the slogan *Strade Pulite* (clean streets) begins appearing on walls. Then, in its wake, sanitation department personnel begin a campaign of sweeping away suspect politicians, shady businessmen and eminent mafiosi in their trucks. 2b5ac439f4 == Background == 2b5ac439f4 Walter Legge was the producer and helped to procure Mozart specialists for the recording. The music was recorded at Kingsway Hall, London in July of 1954, in monophonic sound before the introduction of stereo sound recordings. The album was released in 1955 to critical acclaim and holds a high reputation in the catalogue. However, some have criticized the recording for cutting several recitatives and having a

charged performance. 2b5ac439f4 Così fan tutte or variations may also refer to: 2b5ac439f4 Pajot, citing Jahn, states that the manuscript was still in Zulehner's possession when Jahn visited him during the course of writing his biography of Mozart.
