Built around craft and duties absorbed from the Salvadoran Coast Guard, the navy is primarily composed of patrol boats tasked with coastal patrol and fishery protection. The current fleet is made up of three Camcraft-type patrol boats originally built in the United States for use as oilfield crew boats. New patrol boats have been ordered from Chile to replace or supplement the current, aging ships. 8a7307d878 Each country is covered by an individual chapter containing: 8a7307d878

Saab has had considerable sales success with the AT4, making it one of the most common light anti-tank weapons in the world. The AT4 is not a rocket launcher strictly speaking, because the explosive warhead is not propelled by a rocket motor. The M136 AT4 and M136A1 AT4CS-RS are the variants used by the United States Army 8a7307d878

After Uganda achieved independence in October 1962, British officers retained most high-level military commands. Ugandans in the rank and file claimed this policy blocked promotions and kept their salaries disproportionately low. These complaints eventually destabilized the armed forces, already weakened by ethnic divisions. Each post-independence regime expanded the size of the army, usually by recruiting from among people of one region or ethnic group... 8a7307d878
