

The Guide To Midi Orchestration 4e

This article is about the Hongwu Emperor, the first emperor of the Ming dynasty. I have tried to improve this article as well as the articles related to the Ming dynasty. (After three times without much attention and reviews, I hope this time it will be okay.) Min968 (talk) 07:36, 13 June 2026 (UTC)reply be72a3ea03 @FAC coordinators: I'm not sure whether I can nominate another article at the moment. Min968 (talk) 06:41, 15 July 2026 (UTC)reply be72a3ea03 Support from Jon698[edit] be72a3ea03 I will be using Yongle Emperor for comparison in some parts be72a3ea03 Done. be72a3ea03 7. "On 15 April of the same year," -> "of the same year" is unnecessary as the year has already been stated in the previous sentence be72a3ea03 Done. be72a3ea03 12. "It remained unchanged until the fall of the empire, although additional provisions were later added." -> Just a technicality, but shouldn't it be dynasty rather than empire? Entirely optional change be72a3ea03 Nominator(s): Min968 (talk) 07:36, 13 June 2026 (UTC)reply be72a3ea03 Done. be72a3ea03 1. The Yongle Emperor's lede mentions him being the the fourth son of the Hongwu Emperor in the first paragraph. Could a mention of Hongwu Emperor's low-birth be mentioned as well? Currently his only family mention in the lede is being orphaned. be72a3ea03 Done. be72a3ea03 Done. be72a3ea03 10. "Zhu defeated the local Yuan commander Chen Yexian (陈野仙), who surrendered to him, but Chen betrayed Guo Tianxu during an attack on Jiqing (present-day Nanjing) in September 1355." -> This could be shortened to "The local Yuan commander Chen Yexian (陈野仙) surrendered to Zhu, but Chen betrayed Guo Tianxu during an attack on Jiqing (present-day Nanjing) in September 1355." be72a3ea03 I would love to look over this article. I will be making some comments soon. Jon698 (talk) 11:40, 13 June 2026 (UTC)reply be72a3ea03 4. "Zhu then entered a local Buddhist monastery." -> Wikilink Buddhism be72a3ea03 9. "In July 1355, the Hezhou rebels obtained a fleet from rebels arriving from Chao Lake" -> Wikilink Chao Lake be72a3ea03 Done. be72a3ea03 Hongwu Emperor[edit] be72a3ea03 I didn't spot a source review for reliability/formatting and we'd need that completed/passed before a new nomination. Cheers, Ian Rose (talk) 07:00, 15 July 2026 (UTC)reply be72a3ea03 2. "a government of generals and Confucian scholars" -> Wikilink Confucianism be72a3ea03 Done. be72a3ea03 8. "Zhu entered into a dispute

over Hezhou, a city situated on the banks of the Yangtze," -> Wikilink Hezhou be72a3ea03 Done. Hezhou (Anhui) be72a3ea03 Done. be72a3ea03 Done. be72a3ea03 The article was promoted by Ian Rose via FACBot (talk) 13:56 31 July 2026 [1] FACBot (talk) 23:05, 31 July 2026 (UTC).reply be72a3ea03 Done. be72a3ea03 6. "In 1352, when the Yuan army burned down Zhu's monastery after suspecting the monks of links to the White Lotus society, Zhu joined the rebels." -> Could this be reorganized to be easier to read like "Zhu joined the rebels in 1352, as the Yuan army burned down Zhu's monastery after suspecting the monks of links to the White Lotus society." be72a3ea03

Wikipedia:Featured article candidates/Featured log/July 2026 before the arrival of Portuguese #4c (Good) provides the information about reorganization of the city into corporate wards. Subsequent comments should be made on the article's talk page or in Wikipedia talk:Featured article candidates. Please do not modify it. No further edits should be made to this page. #4e + #8e (Good) provides the information The following is an archived discussion of a featured article nomination be72a3ea03

Done. be72a3ea03 13. "The administrative structure of the Ming dynasty was modeled after the Yuan model" -> Could "modeled" be changed to "based" as "modeled after the Yuan model" fee... be72a3ea03 11. "In January 1369, the main army, led by Xu Da, captured Taiyuan, while Köke Temür retreated to Gansu. In the spring of 1369, Ming troops also began to occupy Shaanxi.[76] They had fully captured the province by September 1369, but border skirmishes with Köke Temür's troops persisted until 1370.[77]" -> Does this need to be its own paragraph? It is continuing the story from the previous paragraph so shouldn't they just be one paragraph? be72a3ea03 5. "The presence of Taoist and Buddhist secret societies" -> Wikilink Taoism be72a3ea03 3. "In 1344, during a plague epidemic, Zhu Xingzong's parents and one of his brothers died." + "Zhu then entered a local Buddhist monastery." -> These should be part of the same paragraph if you are going to use the word "then" be72a3ea03
