

Overcomplicated Technology At The Limits Of Comprehension

You had me struggling there, until I thought to check the infobox. Done. b1bf7eef34 Hello. I've raised the question at the non-free content talk page regarding whether consensus exists to allow an exception to our prohibition against including the complete or extensive quotation of the lyrics of non-free songs in the case of national anthems. Guidance on this is currently somewhat contradictory. If you have an opinion on the matter, your feedback there would be welcome! -- Moonriddengirl (talk) b1bf7eef34 Let me dig out my sources and get back to you on that Eddie. A good, insightful question BTW, I like those. b1bf7eef34 I'm curious whether the title fits the article, given that you have written so much about the aftermath (Charny's revenge). While it does serve to wrap the article up quite nicely, does it really fall under the scope of the "battle of Calais", which in the infobox i... b1bf7eef34 In an ensuing RFC at said talk page shortly after b1bf7eef34 The following individuals should be required to affirm (through signed declaration or other format to be decided) they will acknowledge and adhere to the Universal Code of Conduct... b1bf7eef34 The draft Meta:Universal Code of Conduct/Enforcement guidelines that the WMF has approved says that: b1bf7eef34 All advanced rights holders; b1bf7eef34 Elijahandskip, El_C This guy is really trying to get me banned just because he doesn't want to come to a consensus on the Uchar-Hadji page. This is the 3-4th report he's made against me and has been looking through my history for things to use against me, even though we both agreed in the previous report that we wouldn't talk to each other. As for the accusations I only want to... b1bf7eef34 The article was promoted by Laser brain via FACBot (talk) 29 October 2019 [1]. b1bf7eef34 Moonriddengirl, who is one of our best and most active editors in cleaning up copyright problems on wiki, has not expressed any opinion about whether it is either necessary or desirable. She is only trying to get clear guidance to prevent copyright violations. If you have an opinion on the subject, or any knowledge about it, then you should join the conversation over there. WhatamIdoing (talk) 18:18, 28 July 2015 (UTC) b1bf7eef34 So he could have written all three for the Order, although it is far from certain that he did; but if he did, they could have been published as early as 1344. Harari nicely hedges on this with "Charny himself left to posterity three works on chivalry, meant to instruct young knights how they ought to behave and fight." All of that said, I have tweaked the wording to be non-committal on just when he wrote and/or published his works. Gog the Mild (talk) 16:09, 23 August 2019 (UTC)reply

This is a fork of WP:AN#WP:Ethics again. Cabayi (talk) 12:24, 26 March 2021 (UTC) b1bf7eef34 Hello! So I had an idea of an option in the settings that would make articles a bit easier to read. My reasoning behind this is people like me (I'm autistic) have a hard time reading some longer sections of articles. This is mainly due to having sort of a short attention span, making it hard to read long sections of articles in one sitting. I propose some way to break up article sections in a way that makes it easier to read. I'm not exactly sure how we would do this which is why I put this in idea lab. Some of the ideas I have are making the text slightly larger, making different parts of the article highlighted in different colors, or making the space between different parts of the article/section larger. Let me know what you guys think and if you guys have any other ideas as to how we would make larger articles easier to read. — Blaze The WolfTalkBlaze Wolf#6545 16:40, 24 September 2021 (UTC) b1bf7eef34 Hi Eddie891. That link to the OUP volume doesn't work for me. Google snippets gives "All three were probably written [for the Company of the Star]". That actually leaves a lot of scope re date. Richard Kaeuper, in his introduction to Elspeth Kennedy's 1996 translation of Book of Chivalry, goes into some detail on p. 22 here. The Whetham volume you refer to states "the Livre Charny is likely to have been written after his voyage to the Levant"; a natural reading of this would be that it was written before the Calais escapade. Harari states that Charny was in "London, where he stayed a prisoner until the summer of 1351, working on his Livre de chevalerie". b1bf7eef34 Reported before, [diff], do you not realize how idiotic this sounds, Your hypocrisy shows.--IrelandCork (talk) 11:54, 26 March 2021 (UTC) b1bf7eef34 Had Charny written the books on chivalry before the battle? It seems that he wrote his Book of Chivalry after the battle. OUP tells us that Questions concerning the joust, tournaments and war were written to be answered by members of the Order of the Star (France), which, according to our article was founded in 1351, meaning he couldn't have written the book before the battle occurred in 1350. His third book that can be substantiated (here), is Livre Charny with similar suspected origins regarding the Order of the Star,(here). If it turns out he hadn't, it would be inaccurate to say he "was the author of several books on chivalry" because he hadn't written them yet. b1bf7eef34

Wikipedia:Administrators' noticeboard/IncidentArchive959 sources is unacceptable and puts a load on the rest of us. Can't remember == Esszet's repeated accusations of article ownership toward me ==. My recollection is that there is a comprehension concern here, possible CIR b1bf7eef34

Why? The siege of 1346-47 is a piece of three years before background; I don't see the relevance. I can offhand think of three potential hats I would consider more relevant, and I wouldn't actually want to include any of them either. b1bf7eef34 Good point. Done. Also added his regnal term. b1bf7eef34 Back again at ANI filing a complaint against me in July, which was found to be "over the top" by the closer Basalisk. b1bf7eef34 An everyday story of 14th-century folk. Knightly honour and dishonour; bribery and treason; cunning schemes and an incognito king; captivity and ransoms; truces and treachery; revenge and torture. They didn't have Wikipedia in the 14th century, so they had to make their own entertainment. b1bf7eef34 Here in the aforementioned article talk page in April b1bf7eef34 Pnranjith (talk · contribs) has been arguing rather strongly and without a lot of regard for Wikipedia policies on Talk:Ezhava, an article which falls under the general sanctions placed by the community on all caste-related articles. That's irritating, but since s/he's not edit warring on the article, can be managed to some degree. However, the editor has also repeatedly been aggressive and abusive. Previous attacks for which the editor has been warned (see the user's talk page) include [3] and [4]. The user was also warned of the caste-article sanctions in User Talk:Pnranjith#Sanctions. b1bf7eef34 Also, it seems, user aggressive with most opponents: b1bf7eef34 == Caste sanctions enforcement request == b1bf7eef34 And again today here at the article talk page. b1bf7eef34 @Blaze The Wolf, have you tried "new" Vector? @AHollender... b1bf7eef34 == Copyright violation issue == b1bf7eef34 This passed GA ten months ago, and ACR last month. Since then, Serial Number 54129 generously supplied me with a new source, and I have worked on and expanded the article.
