The album was subject to controversy over the song "Suicide Solution" and its alleged role in a teenager's suicide in 1984. Despite this, it has received critical acclaim and in 2017 was ranked 9th on Rolling Stone's list of "100 Greatest Metal Albums of All Time". fbf00e9217 Ozzy Osbourne had been the frontman of Black

Sabbath from 1968 to 1979, during which time the group had released popular and acclaimed albums such as *Paranoid* and *Master of Reality*. However, Osbourne's drug problems caused tension in the group and ultimately resulted in him being fired in 1979. After being fired, he signed to Jet Records and put together a solo band. fbf00e9217 The game is a slightly modified copy of an early 20th century French game named *L'Attaque* ('The Attack'), and has been in production in Europe since World War II and the United States since 1961. There are now two- and four-player versions, versions with 10, 30 or 40 pieces per player, and boards with smaller sizes (number of spaces). There are also variant pieces and different rulesets. fbf00e9217 A pack of cards is based on a theme, such as cars, aircraft, books, boats, dinosaurs, or characters from a popular

film or television series. Each card in the pack shows a list of numerical data about the item. For example, in a pack based on cars, each card shows a different model of car, and the stats and data may include its engine size, its weight, its length, and its top speed. If the theme is about a TV series or film, the cards include characters and the data varying from things like strength and bravery to fashion and looks, depending on the criteria. fbf00e9217 All the cards are dealt among the players. There must be at least two players, and at least one card for each player. The starting player (normally the player to the dealer's left) selects a category from their topmost card and reads out its value. Each other player then reads out the value of the same category from their cards. The best (usually the largest... fbf00e9217 == Background == fbf00e9217

Aerodynamics plays a critical role in a car's behavior at high speeds.
