You need to provide the year-end balances of all you bank accounts world-wide and details on any securities that you may have, the value at the end of the year, the number of shares, the transactions throughout the year like dates and amount of purchases and sales. This is important for the income tax with regard to the income on these bank accounts and securities, and also for the asset tax as regards the values of these balances. 0e9ad49e4f General tax filing process 0e9ad49e4f Provide details on our income on the second page of the form. So you need to have the salary statement from your employer, also called “Lohnausweis”, any income statements you have from pensions, or any other sources of income. If you have made any contributions, to pension systems such as voluntary contributions to the professional pension scheme (pillar 2) or voluntary contributions to the tied pension plan called pillar 3a, these are tax deductible. 0e9ad49e4f So for real-estate, you need to indicate the value of the property. If it’s in Switzerland it’s the catastral value. If it’s abroad it’s the market value. And also on the income that you earn on the property. Either it’s a rental income or you have to estimate a theoretical rental income that you could get with the property. You can deduct maintenance costs for the property. This is either a lump sum, depending on the age of the property, or higher effective costs. 0e9ad49e4f
