

Analysis Of Nightfall In Soweto

Students from various schools began to protest in the streets of the Soweto township in response to the introduction of Afrikaans, considered by many black South Africans as the "language of the oppressor", as the medium of instruction in black schools. It is estimated that 20,000 students took part in the protests. They were met with fierce police brutality, and many were shot and killed. The number of pupils killed in the uprising is usually estimated as 176, but some sources estimate as many as 600 killed. The riots were a key moment in the fight against apartheid as...

Soweto uprising Soweto uprising, also known as the Soweto riots or the Soweto rebellion, was a series of demonstrations and protests led by black school children in South Africa during apartheid that began on the morning of 16 June 1976

Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. You can use the list to generate your own lists in whatever language you're learning and to test yourself
