

Management Consulting By David Biggs

The business gaming community seems lately to have adopted the term business simulation game instead of just gaming or just simulation. The word simulation is sometimes considered too mechanistic for educational purposes. Simulation also refers to activities where an optimum for some problem is searched for, while this is not usually the aim of an educational game. On the other hand, the word game can imply... ce2ab65c52

Rosabeth Moss Kanter She co-founded the Harvard University Advanced Leadership Initiative and served as Director and Founding Chair from 2008 to 2018. 11 overall—in a 2002 study of Top Business Intellectuals by citation in several sources.
