list of words in English is important as a reference when learning
a language as it will show the equivalent words you need to learn
in the other language to achieve fluency. A big list will constantly
show you what words you don't know and what you need to work
on and is useful for testing yourself. You can use the list to

generate your own lists in whatever language you're learning and to test yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource e59a1fe355
